Hi Kim,

See attached comments on your RTCs. I am still running by some agree-to-disagree language internally so we may have changes to that text. I sent Craig's response to the 5YR team for review. I'll have theirs and anyone else's comments as soon as I can. I also have to review your response to the statistician's comments which I will do tomorrow.

Also, I'll check with Matt on his status tomorrow.

A lot of moving parts.
